Send for Illustrated Bookmaps. The Tax Exemption Law

passed by the Board of Estimate, puts on the Statute Books a law that will greatly facilitate the erection of NEW HOMES to be exempt from taxation for a period of 10 YEARS, thus bringing VACANT LAND in great demand for New Houses and Apartments that are so urgently needed. The speculative Builder looking for conservative profits and the individual Home Builder need have no fear of the decision of the Court of Appeals upholding the Rent Laws, as this will not affect NEW BUILDING construction.

OWNERS OF VACANT LAND

should communicate with us at once regarding the sale of their City and Suburban properties.
